Wrinkle, wrinkle up your nose
if you like to eat old clothes
like a goat who thinks it's nice
eating socks with sugar and spice
wrinkle, wrinkle up your nose
maybe try Nan's pantyhose

Periwinkle in the sea
your spiral shell looks great to me
in the rock pools at low tide
under seaweed where you hide
periwinkle in the sea
I look a while then leave you be

Stinkle, stinkle little shoe
I smell bad when I wear you
fill you up with earth and seeds
now you're growing climbing beans
Stinkle, stinkle little shoe
never more will I wear you
