

Little Blue 2010

I'm a little blue (times 2)

I'm a little blue penguin

I'm a little blue (times 2)

I'm a little flightless bird

Maybe can't fly but you should see me

dive like an arrow under water

I'm a little blue, catch a little fish, I'm a

little blue, grey bird

Why did the penguins cross the road?

They have their burrows on the other side

They're so shy,

they come home late at night

Late to bed but early to rise
