

Marimba Cat

Marimba cat, marimba cat,
he wakes me up at night
Marimba cat, marimba cat,
he wakes me up at night

Well he doesn't play the piano,
and he doesn't play the didgeridoo
He doesn't play with my toothbrush
But he will play for you and me so happily

Well he doesn't play with my roller skates,
and he doesn't play the kazoo
He doesn't play with my teddy bear
But he will play for you and me so happily
