

Rockers Rock

Lions stalk,
rabbits hop,
birds fly,

and rockers rock,
they rock and rock,
they like to rock and rock and rock,

kitties purr,
bellies flop,
eggs fry,

and rockers rock,
they never stop,
they like it hot,
red lava rock,

they go yeah yeah
and they go nah nah nah
and they play loud guitar,
all for the rock,

mice squeak,
horses clip clop,
ducks quack,

and rockers rock,
check out their chops,
and pouts and socks,
they gotta rock,
and rockers rock,
they never stop,
they like it hot,
red lava rock,

they go whoa whoa whoa,
and they go ooh ooh yeah
and they've got way cool hair,
all for the rock,
they go yeah yeah yeah
and they go nah nah nah
and they play loud guitar,
all for the rock,

sucker fish suck,
vacuum cleaners they suck too,
leeches that's another thing that sucks...
