

Sometimes I make mistakes. **by Levity Beet**

VERSE 1

I'm playing in the sandpit, flick the sand into the sky

Jennas scooting past she gets the sand-flick in her eye

Oh nooooooooooooo! You should hear her cry

CHORUS 1

Sometimes we make mistakes and I'm sorry that mine hurt you

VERSE 2

I'm eating all the cookies, I'm licking up the crumbs

I think I ate the special one, you saved it for your mum

Oh nooooooooooooo! I can hear you cry

CHORUS 1

VERSE 3

I'm calling you a smelly word, I call you it again

And all the kids are laughing cos I'm such a clever brain

Oh nooooooooooooo! I think you're going to cry

CHORUS 1

INTERLUDE

I thought I might be superman, I'd wow the world with a master plan
I took a leap but you see me land, butt first in the garbage can

CHORUS 2

Sometimes I make mistakes, maybe you'll laugh but one day it'll be you
And you, and you, and you

VERSE 4

You think me really bossy when I try to tell you why
And how and when and what to play and when to laugh and when to cry
Oh noooooooooooooo! I think I pushed you away

CHORUS 1

INTERLUDE

I thought I might be superman, I'd wow the world with a master plan
I gave it all but I'm broke again, looking like something the dog brought in

CHORUS

Sometimes I make mistakes, maybe you'll laugh but one day it'll be you
