

When I Like It

When I like it I say "Yum, yum, yum"

When I don't I say "No thanks mum"

When it's great I say "Wow!"

But I don't say moo, cos that's a words for cows

When I'm cold I say "Brrrrrrr"

When it's hot I say "Phew!"

When I'm mad I say "Scat!"

But I don't say miaow, cos that's a word for cats

When I'm scared I say "Aaaaaaah!"

When I'm bold I say "Ho ho ho"

When I write, I write words

But I don't eat worms, cos that's a food for birds

When it's night I go to sleep

When it's day I get up and play

When I swim, I wear my togs

But I never wag my tail, cos that's a thing for dogs
