

Why

(Chorus)

Why this, why that, why mum, why dad?
I wonder if they know
I'll ask them help my brain grow

Mum says that she thinks she's gonna cry
If I say why just one more time
But I want to know why

(Chorus)

When I say why dad says why do you think
Fish don't fly, not very high and a work
doesn't hardly ever wink

(Chorus)

Grandma says her grandma's gran did that
For all I know her gran watched her grandma
who watched her grandmas cat

(Chorus)
